YOU BELONG HERE

We are dedicated to celebrating the gift of life through sport, community, and advocacy.

We are dedicated to celebrating the gift of life we have been given through sport, community, and advocacy. The New Zealand Transplant Games team brings together transplant recipients, donors, and supporters, united by a second chance. You don't have to be an elite athlete to be part of this community; It's about participation over podiums.

Guided by the values of G.I.V.E - Gratitude, Inspiration, Vitality, and Empathy - We support one another and celebrate the strength of our shared journey.
